Tamika did very well at the area competition. I am sure she has learnt a great deal from the experience. Well done Tamika!

Thank you P & C

Student, Parent and Staff Survey – "The Tell Them From Me" Survey

Once again this term (as in term 1), our school, like many other public schools in the state, will participate

in a Department of Education survey: the *Tell Them From Me* student feedback survey.

This term, the student survey again aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices. More information about the survey is available at:

<http://surveys.cese.nsw.gov.au/information-for-parents>

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help improve how they do things at school.

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 21 August and 13 October. Participating in the survey is entirely voluntary.

A consent form and FAQs for parents/carers about the survey is being sent home with students. If you **do not** want your child or children to participate, please return the form to the school. Copies of the form and FAQs are available from the website above.

The Partners in Learning parent feedback survey

Our school will also be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically takes 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 21 August and 13 October. Participating in the survey is entirely voluntary, however, your responses are very much appreciated. The survey link is:

Our Ski Team

On the 20-25 of August 2019 the skiing and snowboarding state titles were held at Perisher.

Lucy B and Zara D both raced in the ski cross and Lucy also raced in the ski giant slalom [GS].

Leo L raced in the snowboard cross and snowboard GS. We had a lot of fresh snow just before the event.

Lucy B came 13th in the GS making it in to the national titles in Mount Buller, Victoria, and came 27th in the ski cross.

Zara D came 24th in the ski cross.

Leo L came 22nd in the snowboard GS which was half a second off making the national titles, and came 28th in the snowboard cross. There were about 50 racers in each event.

It was really fun competing against other schools!!!

By Leo L

Congratulations to our full ski and snowboard team of Georgia D, Leo L, Lucy B and Zara D who defeated St Mary's by a very narrow margin of 7.13 points to 7.08 points in the

annual Moruya Primary School Snowsports Challenge, held as part of the NSW Interschools southern region championships at Perisher in July. The trophy gets to stay with Moruya for another year!
