School Planning

This week we are continuing to consult with our community about our 2021-2024 school plan. Focus areas are student growth and attainment, teacher professional learning, wellbeing and attendance. We would appreciate your time in completing a short survey which can be found at <https://forms.gle/Tg2F2YRGC85DWi1u5>. Alternatively, if you would like to discuss any aspect of the planning process or provide additional feedback you are welcome to contact me via phone on 4474 2363 or alternatively email me at sarah.davis47@det.nsw.edu.au. Supporting our community and families is essential to the wellbeing of all our students and ensures we achieve the best possible outcomes as a school. We look forward to continuing to work with you.

2021 Staff Development Days

Next year there will be two staff development days at the start of Term 1. The additional day will replace once of the staff development days at the end of Term 4 2021. Staff will return to school on Wednesday January 27. Students from Year 1 to Year 6 return on Friday January 29. Information regarding kindergarten start dates will be sent out in the coming weeks.

Wishing everyone a very happy week.

Road safety

Your guide to driving and parking safely near schools

The beginning and end of the school day are busy times for pedestrians and vehicles outside the school. That's why you need to take extra care in 40km/h school zones.

- Park safely and legally, even if it means walking further to the school gate. Parking signs are planned with children's safety in mind.
- Slow down to 40km/h in the school zone and stay aware of crossings.
- Always park and turn legally around the school.
- Never double park as it puts children at risk.
- Manoeuvres such as U-turns and three-point turns are dangerous.
- Never park in a bus zone or in the school bus bay.
- Make sure your children use the Safety Door (rear footpath side door) to get in and out of the car.
- At a supervised crossing, observe the directions of the school crossing supervisor.
- Model safe and considerate behaviour for your child – they will learn from you.

Remember to always give way to pedestrians particularly when entering and leaving driveways. Don't park across the school driveway or the entrance to the school car park. It's always a good idea to use the drop off and pick up area suggested by your school. This will help keep all children as safe as possible during the busiest times of the school day.

Uniform Shop

The Uniform shop is in desperate need of second hand culottes, dresses, shirts and boys cargo shorts. If you have any second hand Moruya Public School uniforms that you could donate it would be greatly appreciated.

Last week Stage 3 attended camp at Dolphin Beach. After an early storm the weather cleared and a fantastic time was enjoyed by everyone. Congratulations to Stage 3—the happy campers!

staff member of the week

SRC students have decided to 'introduce' a staff member of the week to everyone via the school newsletter.

This weeks staff member is Crissie B!

What is your favourite colour? Blue

How long have you been working at MPS? 15 years

Do you have any pets? Two Jack Russell dogs called Wombat & Freckle and a cockatoo called Jock

What has been your favourite year to work with?

All years

What is the best part of your job?

Watching the children achieving their goals
