WEEK 10 TERM 4

14 DECEMBER 2020

Thank you

As we come to the end of the school year, we'd like to extend our thanks to you, our parent community, for demonstrating so much resilience and patience towards the circumstances we have faced together. We have continued to ensure continuity of learning for our students in a happy learning environment. We couldn't have done this without your support. Thank you again.

We expect to have revised COVID guidelines before the start of the school year and will notify you of these before the start of Term 1. As has been our practice this year, we will ensure that we work within the guidelines to create a safe school environment whilst also ensuring that our school community can be involved where possible.

Term Dates

A reminder that students and staff finish the term this week on Wednesday the 16th of December. Students in Years 1-6 return on Friday the 29th of January.

Happy Holidays

We wish all students and their families a very restful and happy holiday break. As you think about enjoying your time together, here are some quick tips to help you and your families stay COVID-safe during the school holidays:

- Meet outdoors whenever possible and wear sunscreen.
- Meet in small groups.
- Encourage good hand hygiene practices and remind your children to cough and sneeze into their elbow.
- Keep up-to-date with the latest health information by monitoring the NSW Government Health Website.

Year 6 Last Day and Tunnel

We wish our Year 6 students the very best as they enter High School next year. We will still be holding our final send off for Year 6 on Wednesday at 2:45pm. Parents who wish to attend are asked to enter through the gates near the Flag poles between 2:30 and 2:45pm, where you will be required to sign a visitors form. Parents will be able to watch Year 6 finish their Primary School years from the grass area. We ask parents who attend to be mindful of physical distancing. Parents will be required to leave the school grounds promptly at 3pm. Thank you for supporting us in implementing these guidelines and allowing your presence to be possible.

Wishing everyone a very safe and happy holiday,

Sarah Davis

Road safety

40km/h school zones

40km/h school zones slow traffic on the roads around schools. This is to help protect children on their way to and from schools at the times and places where they are often in high numbers. Most 40km/h school zones operate between 8.00am and 9.30am and from 2.30pm until 4.00pm. The 40km/h school zone speed limit must be observed even if school children cannot be seen.

A 40km/h school zone operates on all notified school days including staff development days (student-free days). While some schools may operate on different term dates, school zone speed limits must be followed during NSW Government determined school terms.

You can find the school term dates on the following websites:

- roadsafety.transport.nsw.gov.au
- educationstandards.nsw.edu.au
- education.nsw.gov.au

To increase motorists' awareness of 40km/h school zones, triangular 'dragon's teeth' road markings indicate that the vehicle is entering a school zone.

Fines and a loss of demerit points will apply if the 40km/h speed limit isn't followed. For more information on fines and demerit points, visit rms.nsw.gov.au

For more information on keeping our kids safe around schools visit the parents section on safetytown.com.au

Lives lost on NSW roads.
Our goal is zero.
