WEEK 9 TERM 4

7 DECEMBER 2020

Presentation Day

This week we will hold our annual Presentation Day assembly over two days to ensure that we are able to adhere to COVID guidelines. Unfortunately, due to the reduced capacity of our school hall to allow for physical distancing, attendance at the assemblies this year is by invitation only. Detailed guidelines were sent home with all invitations and we remind any parents or carers attending the assemblies that you are required to follow these guidelines. We ask that if you are unwell or have any mild cold or flu symptoms that you do not attend the assembly this year. We thank you for your support and cooperation.

While our Presentation Day assembly acknowledges the achievements of some students, I would like to take the opportunity to congratulate all students at Moruya Public School on their learning this year. We are so proud of all of our students and their ability to adapt to challenging situations throughout the year. Regardless of whether or not students are receiving an award this year they should all be proud of their achievements. I know I speak for all staff when I say that we are immensely grateful for the support of our community this year and deeply proud of our students.

Year 6 Farewell

The Year 6 Farewell will be held this Thursday at Moruya Golf Club. The presentation of awards to Year 6 students will occur outside in order to meet COVID guidelines and allow for parent/carer attendance. We ask that all attending adults follow directions from staff. This year parents will not be able to enter the auditorium with their child. We are looking forward to being able to share this special event with Year 6 children and their families.

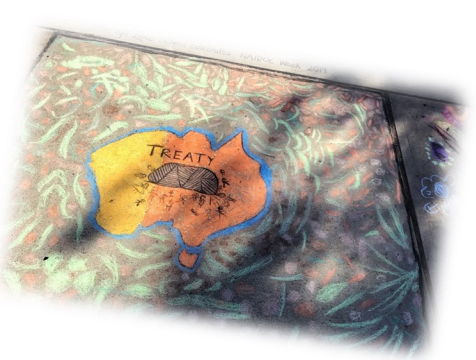

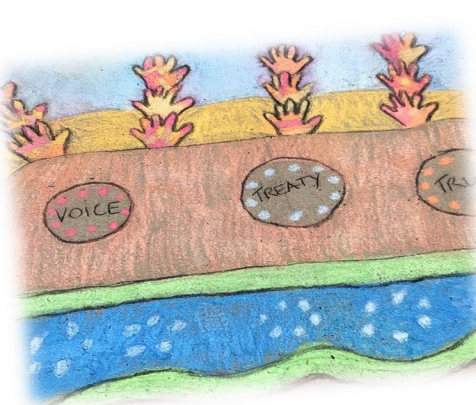

Reports

Semester 2 reports will be sent home with students next Monday the 14th of December. If you would like to discuss your child's learning with their class teacher you are welcome to contact the office to organise an appropriate time.

The last day of school for students this year is Wednesday the 16th of December.

I look forward to seeing many of you throughout the week at our various events.

Road safety

Keeping safe around school crossings

For your child's safety, it's very important to ensure they use the school crossing.

At all crossings you must wait on the footpath, at least one step back from the edge of the road.

If there's a School Crossing Supervisor, wait until they have stopped the traffic and called you to cross.

If you are driving, you must not proceed until the School Crossing Supervisor's hand-held sign is no longer displayed, or until the crossing supervisor indicates that you may proceed through the crossing.

Children's crossings

Children's crossings are usually part-time crossings that operate before and after school hours. They can also operate at other times when children use the crossing for excursions or during break times. When 'Children Crossing' flags are displayed, you must stop at the white line if pedestrians are waiting to cross. Drivers must remain stationary until the crossing is clear of pedestrians.

For more information on keeping our kids safe around schools visit the parents section on safetytown.com.au
