WEEK 10 TERM 2

29 June 2020

I would like to wish our staff, students and families a very relaxing holiday break. I am extremely thankful for the dedication of our staff this term, the support of our families and community as well as the resilience and positive attitude of our students. I look forward to welcoming everyone back at the start of next term ready for a wonderful term of learning.

Reports

Semester 1 reports will be sent home with students this Friday. Each report provides an overview of student learning in Semester 1 as well as individual learning goals for each student for Semester 2. Since the return to school our teachers have been assessing student understanding and skills. The goals included in your child's report reflect the next area of learning for your child. This will be a focus for Term 3.

Teaching and Learning in Term 3

In addition to our Term 3 teaching and learning programs we have identified three specific focus areas for teaching and learning for next term. All students will focus on further developing reading comprehension skills, understanding of number and place value as well as sentence structure. This will be accompanied by explicit teaching and assessment.

SRC Pyjama Day—Friday

The SRC will be holding a Pyjama Day on Friday. Students are able to wear their pyjamas to school however, they must still wear enclosed school shoes not slippers or Ugg boots. Each class will also have a small party activity or game to celebrate the beginning of the holidays and completion of a challenging term. In addition, as a special thank you from the staff to all our students for their positive attitude and flexibility this term, the school canteen will provide each child with a muffin and hot chocolate for morning tea.

Changes to school activities in Term 3

The Canteen will open at the start of next term. Scripture will also begin on the Monday of Week 2. At this time we still need to ask parents to wait outside the school gates for their children. Staff will be asking parents to wait outside the gate so please discuss this with your child so that they know where to find you.

We will keep you updated with any additional changes.

Tell Them From Me

I am delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used *Tell Them From Me* to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school.

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours later this week. Participating in the survey is entirely voluntary. If you **do not** want your child or children to participate, please advise your child's teacher.

I hope that everyone has a wonderful holiday break.

Sarah Davis

(Relieving Principal).

Pyjama Party Day

The SRC are holding a Pyjama Party this **Friday 3rd July**.

Please come dressed in your Pyjamas. (No slippers or Ugg boots please).

Gold Coin donations will be collected by the SRC representatives.

Muffin & Hot Chocolate

Provided for every student from the canteen

MORUYA PUBLIC SCHOOL

Now Open

Kindergarten Enrolment

Kindergarten enrolment packets for the 2021 school year are now available.

Unfortunately due to the current situation we cannot run parent information sessions for Kindergarten enrolments for 2021 at this stage.

That doesn't mean we are not thinking of you.

Visit Moruya Public School front office to pick up an enrolment pack or alternatively contact the school on 4474 2363 and we can post one to you.

Calling all Enrolments for Kindergarten 2021

If you have a child, or know of someone who has a child, who will be attending Kindergarten in 2021 at Moruya Public School please ensure you call and let us know 4474 2363. Alternatively fill in the slip below and return to the front office.

My Child _____ will be attending Moruya Public School Kindergarten in 2021.

Currently he/she attends _____ pre-school/day care centre

Name of pre-school

Dear Parents, Guardians and Carers,

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy \(https://www.education.gov.au/privacy-policy\)](https://www.education.gov.au/privacy-policy).

Further information about the NCCD can be found on the [NCCD Portal \(https://www.nccd.edu.au\)](https://www.nccd.edu.au).

If you have any questions about the NCCD, please contact the school.

Kind regards

Sarah Davis
