WEEK 7 TERM 4

15 NOVEMBER 2021

2022 Class Planning

Over the coming weeks we will begin planning classes for 2022. To complete this process I work with Classroom Teachers, Assistant Principals and our Learning and Support Team to ensure best placement for each child. Our classes are mixed ability classes however we also consider a number of other factors such as student wellbeing including friendship groups. To assist us in our planning all students will be asked to write down the names of up to 5 friends that they would like to be in a class with next year. While we can not guarantee that your child will be with all of these friends we will make sure that all children are in a class with at least one close friend.

2022 Student Leadership Team

This week we will be talking with Year 5 students about leadership opportunities for 2022. Student leaders complete a range of tasks across the school each week and are involved in our student voice initiatives. Students who are interested in taking on the role of School Captain, School Leader or House Captain are required to self nominate using a written application form which is provided to them. Following this, students are invited to present a speech prior to student voting. Leadership speeches this year are scheduled for Wednesday the 1 of December. If you have further questions at this time you are welcome to contact me.

Parent Tell Them From Me Survey

Each year we collect feedback from students, parents and staff which we use to improve. The parent survey will remain open this week and can be accessed at <http://nsw.tellthemfromme.com/mpsterm4>

NAPLAN Readiness Assessment

Next year students in Year 3 and Year 5 will participate in NAPLAN online. In order to be prepared for this some students will sit a readiness test. This is not an assessment of student skills and no results are recorded. It is to ensure that our equipment and network is ready and that any technical issues can be resolved prior to the actual assessment dates next year. This readiness test takes approximately 20 minutes.

Have a wonderful week.

Luca, Declan, Elouise, Seth, Maddison,
Olivia J, Alex, Caitlin, Elsie, Maverick, Ed

Remembrance Day

The whole school participated in a minutes silence on Thursday 11 November for Remembrance Day.

Pictured are some poppies from 6A.

Poultry Club Award

Moruya Public School received the Champion Primary School award at the Moruya District Poultry Club 2021 Annual Show in June.

Kitchen Gardens' fluffy hens took out 1st and 2nd place in their section, with the school winning overall Primary School Champions.

Well done to all the students who came along to the Poultry Show to support our 'girls'.

THIS WEEK ONLY

Every lunch order receives a FREE bag of popcorn.

School Banking Update

Dear Parents/Carers

On 24 October 2021, the Treasurer and Minister for Education and Early Childhood Learning, the Hon. Sarah Mitchell MLC, announced that school banking programs will no longer be run in New South Wales schools from 2022.

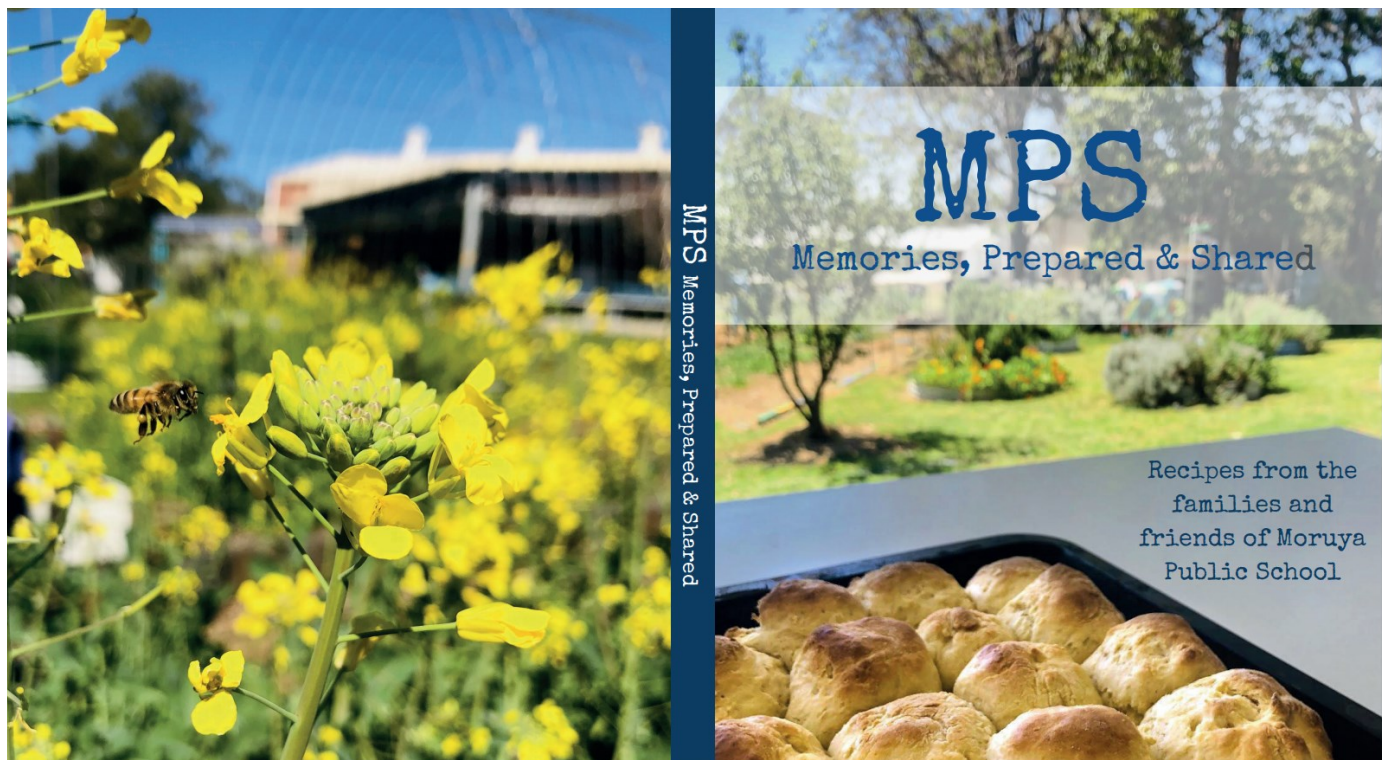

School banking programs at Moruya Public School are arranged at a local level via the P&C . With the upcoming cessation of the program, students will no longer be able to deposit savings through the school banking program at Moruya Public School. You can still keep your child's bank account open and can continue to make deposits into your child's accounts through online transfer or at any bank branch. More information is available on the department's school banking website and Commonwealth Bank of Australia's school banking website.

Thank you to our volunteers and families who have supported this program.

MPS Memories

Prepared & Shared

Our Moruya Public School P&C Cookbook will be available for sale from the **Moruya Markets this Saturday 20 November** from either **Cherie's Records (opposite the playground)** or **Phil's Seedling stalls**. Don't miss this chance to purchase a delightful cookbook, full of delicious recipes, as shared by the Moruya Public School community. With its stunning photos of the Eurobodalla, this book makes a great Christmas present for family and friends. All proceeds from the sales goes to the P&C, to help support the students of Moruya Public School.

THE COOKBOOK IS **NOT AVAILABLE** TO PURCHASE FROM THE FRONT OFFICE.

LIMITED COPIES so get in quick!

Cash Only - \$35 each

YEARS 3 TO 6

WHEN: 21 January 2022

WHERE: UOW, Wollongong campus

TIME: 9.00am - 1.30pm

FEE: \$100

PROGRAM INFORMATION

Little and Early Learning Labs is a face-to-face enrichment program designed for students who are excelling in their area of interest within their year group, and are seeking a challenging and fun experience during the school holidays.

All workshops are held over one (mini-lab) or two days, and are presented by teachers with specialist training in a specific interest in gifted education. There will be sponsorship places available for some participants - please see more details on how to apply for these places on the website.

For January programs we look at the year your child is in for 2022. There are some exceptions to move up a stage at the discretion of the coordinator.

In January 2022 the Year 3-4 and Year 4-5 two day workshops will not be held on the same days. This decision was made to limit crowds during drop-off/pick-up and align with room capacity requirements. For future programs we hope to go back to having these workshops on the same days.

CREATIVE KIDS PROVIDER

Learning Labs can now accept Creative Kids vouchers. Workshops that apply for Creative Kids vouchers are identified on our website in the workshop descriptions.

WORKSHOPS (SEE FULL LIST OF WORKSHOPS & DESCRIPTIONS ONLINE)

Learning Labs has a multitude of workshops on offer for our primary school aged students. Workshops cover a range of diverse topics from Harry Potter, coding, robotics, science and many, many more. Workshops are designed to challenge and stimulate the interests of well-motivated and curious learners. For full workshop descriptions on offer, please go to our website: uow.info/learninglabs

Our workshops fill up really quickly each year so don't hesitate to submit your application to avoid disappointment. For more detailed workshop descriptions, how to apply, FAQs, and the online application form, please go to uow.info/learninglabs

For all other enquiries, please contact the Learning Labs team:

DONT PACK AWAY YOUR NETTY GEAR JUST YET PEEPS CHECK THIS OUT!

Eurobodalla Netball are excited to be able to offer our junior players (aged 6-15) with a 4 week FREE, FUN, netball program, providing skills and game play.

Running Wednesday afternoons 4:30-6pm from 24th November - 15th December.

This is open to anyone, whether you have played before, or want to give it a try - so come along and try netball, learn new skills or improve current skills and have FUN!

Age groups will be split up, everyone will have the opportunity to play with/against different people each week and the focus will be kids having FUN playing the sport they love.

No uniforms are required, ENA will supply coloured playing bibs each week.

To express interested please complete the following form
