Newsletter

WEEK 9 TERM 4

29 NOVEMBER 2021

Recently the Principal's position was advertised as a part of the merit selection process. I am delighted to inform you that I was successful in gaining the permanent position. I have thoroughly enjoyed working with students, staff and families over the past two years and look forward to strengthening these partnerships in the years to come in order to ensure successful outcomes for all at Moruya Public School. As we move forward into 2022 our planning is focused around three key strategic directions:

- Student growth and attainment—using data informed and evidence based practices to ensure that each student receives targeted, high impact teaching and learning so that they can achieve their academic goals.
- Professional growth culture—ensuring that instructional leadership promotes continuous improvement and that professional development supports highly effective teaching and learning in all classrooms.
- Successful students—promoting high expectations for all students in all areas of the curriculum including school attendance and wellbeing while also ensuring that there are ongoing opportunities for students at Moruya Public School to have input into school programs so that every child is known, valued and cared for.

I welcome your feedback and am pleased to be able to continue to work with and support all families into the future.

COVID 19 Update—Rapid antigen home testing kits

Last week it was announced that rapid antigen home testing kits would be available to reduce the amount of time a student is required to isolate if they are identified as a close contact. If required these testing kits will be provided by the NSW Department of Education. Please be assured that we will communicate promptly with you if this occurs and support you and your family in this process. We are very grateful for the continued support of all families in assisting us in maintaining the implementation of COVID-19 guidelines. You can keep up to date with all of the latest updates from the NSW Department of Education by clicking this link [Advice for families \(nsw.gov.au\)](https://www.nsw.gov.au/advice-for-families)

Upcoming events this week

This week Year 6 will attend Orientation Day at Moruya High School, our Kinder transition program continues on Wednesday and Thursday, Year 5 students will deliver leadership speeches on Wednesday and our School AEC will meet on Wednesday afternoon. If you require further information please don't hesitate to contact your child's teacher or the school office.

Starting School Program

We are pleased to advise that our 'Starting School Program' will be going ahead.

Please see the dates below.

Wednesday 1 December 10 - 11am

Thursday 2 December 10 - 11am

Only one parent is able to drop off their child. Parents are asked to drop off their child at the Kindergarten rooms and then leave school grounds. Parents will also need to check in at this time and wear a mask.

Children will then be led to the classrooms for a 10:00 am start. A pop-up uniform shop will be set up for you to view and/or purchase school uniforms if you wish. Parents will be offered a voucher that can be used at Moruya Golf Club during transition times to have a coffee/tea and cake and perhaps meet with other parents.

Children should bring a hat, water bottle and a fresh fruit snack with them.

Please call the school on 4474 2363 if you have any questions or concerns.

Making Payments Safer

To meet the security compliance standards of the payment card providers the Department of Education NSW has advised schools they can no longer accept telephone payments. Parents are encouraged to use Parent Online Payments (POP) via our school website <https://moruya-p.schools.nsw.gov.au/> and follow the prompts under 'Make a Payment'.

We are sorry for any inconvenience this may cause you.
