WEEK 2 TERM 2

3 MAY 2022

Peer Support Program and Training for Year 6

Our school Peer Support Program will begin this term. Peer support involves all students and focuses on placing students at the centre of their learning. Year 6 leaders run small groups and students are empowered with practical skills and strategies to positively navigate life and relationships. This term the theme for Peer Support is 'Being Positive'. Peer Support training for Year 6 started last week and will conclude Tuesday 3 May. This is a wonderful leadership opportunity for our Year 6 students and we are looking forward to starting Peer Support with the whole school next week.

NAPLAN

NAPLAN assessments for Year 3 and Year 5 begin next week. This year all assessments are completed online except for Year 3 writing. The tests will be completed over a two week period. The testing timetable is included in the newsletter this week for your information. If you have any questions or concerns please do not hesitate to contact your child's teacher.

Taste of School - Wednesday 11 May

Next Wednesday 11 May we will be holding an information and activity session for students starting Kindergarten in 2023. Parents are invited to attend school with their child from 9.00am-11:30am. Students will participate in a range of fun activities and also receive an activity pack with a range of school readiness activities. Please pass this information on to any families you know with children starting school next year. If you require any further information please contact our office.

Canteen

Our canteen reopened today after being refurbished last term. Students are now able to purchase from the canteen at lunch and afternoon tea or place a lunch order before school. We really need some more volunteers to ensure our canteen can remain open 5 days per week. Even a couple of hours in the morning to help prepare lunch orders would be a huge help. Please contact the office or canteen if you can help out.

Playground Opening

Please join us from 3:15pm-4:30pm on Thursday afternoon for our official Playground opening and live music. It will be wonderful to have our school community together for this event and we look forward to seeing you.

Library News

It has been great seeing so many smiling faces back in the library at afternoon tea this year. Just a reminder, if your child is in K - 2 they will need to bring a library bag to be able to borrow (a plastic shopping bag will do if you have nothing else). Many students have overdue books from last term and even from previous years. Please remind your child to bring their books back in. They can bring them in any day during the week to return.

Exciting news for this term. We have two big events happening in the Library, Simultaneous Story Time on the 25th May and the Scholastic Book Fair will be running from the 30th of May until the 3rd of June.

Happy Reading

Mrs Canham (Teacher Librarian)

BOOK FAIR COMING SOON!

If your child is absent from school you can **reply to the SMS** we send out between 10-11am. You do not need to notify the school in any other way that they are absent.

'Intention to apply for Year 5 entry to an opportunity class in 2023'
For rural/remote applicants

Dear Parent/Carer

Opportunity classes cater for intellectually gifted and high potential students who may otherwise be without sufficient classmates at their own academic and social level.

A Year 5 virtual opportunity class at Aurora College is available for students in rural and remote NSW who will be attending schools on the following list in 2023:

<https://schoolsequella.det.nsw.edu.au/file/7d0880b5-7f40-413a-bb76-20fd0ebbf80d/1/oc-aurora-host-schools.pdf> .

Students successfully placed at Aurora College attend their local public school and join the opportunity class for science, technology and mathematics lessons using an online conferencing system.

Students from non-government schools who are successfully placed will need to enrol in a public school on the list mentioned above. Further information about the Aurora opportunity class is available at: <https://aurora.schools.nsw.gov.au/learning/primary-school.html>

Testing

Students who wish to be considered for opportunity class placement will sit the Opportunity Class Placement Test on **Thursday 28 July 2022**.

How to apply

If you would like to have your child considered for Year 5 opportunity class entry in 2023, you need to apply between **Tuesday 26 April 2022** and **Friday 13 May 2022**. You will need to access the online application at: <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-5> . You must **not** use the child's email address. When selecting your choices, select 'Aurora College' and enter your host school (current school for public school students). Late applications are not usually accepted.

If you do not have internet access, you could apply at a public library. If you have a disability that prevents you from using a computer, you can contact the Team for assistance after **Tuesday 26 April 2022**.

You must submit only **ONE application** for each student.

The tear-off slip below is NOT an application and the school cannot apply on your behalf.

Yours sincerely

Principal

THIS IS NOT AN APPLICATION FOR ENTRY TO AN OPPORTUNITY CLASS

Walking together safely to and from school

Walking to school and back home again is a great way to spend time with your children and encourage safe and healthy behaviours.

Here are a few things you can do to help keep your children safer as a pedestrian:

- Talk with your children about being alert in the road environment.
- Plan and practice your trip to school so you use pedestrian crossings where possible.
- Always hold your child's hand. Children need your help to spot dangers such as vehicles coming out of driveways. They can also be easily distracted and wander into traffic.
- Meet your child near the school gate and don't call them from across the road.
- Explain why the place you have chosen is the safest place to cross.
- Remind your child to **STOP! LOOK! LISTEN! THINK!** every time they cross the road and keep checking until safely across.
- Talk to them about why they should stop, look, listen, think before crossing a driveway, road or carpark.

Young children can learn and practice these safe pedestrian behaviours with you. This will help them to be safer pedestrians when they are old enough to travel alone.

For more information on keeping our kids safe around schools visit the **families** section on safetytown.com.au

Messages to share with your children in Kindergarten to Year 2

- Hold a grown up's hand when:
 - you cross the road
 - you're on the footpath
 - you're in a car park

Messages to share with children in Years 3 to 6

- Use a safe place to cross the road
- **Stop! Look! Listen! Think!** every time you cross the road and keep checking until safely across

STOP!
one step back from the kerb

LOOK!
continuously both ways

LISTEN!
for the sounds of approaching traffic

THINK!
whether it is safe to cross and keep checking until safely across
