PEER SUPPORT

The whole school participates in Peer Support for 30 minutes each week. Each group have a supervising staff member.

Last week we commenced our Peer Support lessons. Two or three Peer leaders facilitated a small group of 12-14 younger students, who work together through a number of structured activities. We worked on a module called *Being Positive* helping us explore the concept of optimism. The module runs for eight sessions. Our first session enabled the children to get to know everyone in the group, agreeing on how they will work well together and interact cooperatively with others. They also began to think about what it means to be optimistic.

We encourage you to talk to your children about Peer Support every week, as it will help to reinforce the concepts learnt in each session. Congratulations to our Year 6 Peer Support leaders who did an outstanding job leading their first session!

This week in Peer Support the children will share the things they enjoy in life and have an opportunity to discuss their favourite activity. This session enables children to recognise what makes them happy. Discuss with your child their favourite activity.

MPS ELECTION DAY CAKE STALL

Saturday 21 May 2022

calling all bakers!!!

Dear families

As you all know we have an election on Saturday 21 May. The Moruya Public School P&C will be holding its usual cake stall along with a raffle and BBQ to raise funds and we need volunteers to help on the day.

Many hands make light work and it would be greatly appreciated if families can assist for an hour or two on the day between 8:30-1:00pm. This is also a great way to meet people within the school community particularly if you are new to the area.

We have made it easy for you - all we ask you to do is bake some scrumptious goodies (a cake, a slice, bikkies, cake pops, cup cakes etc) and put it on the plate provided. You **must** list the ingredients (for health and safety reasons) on the label on the plastic bag and then tie it off to keep it fresh and safe, then deliver it to the school by 3:00pm on Friday 20 May or to the stall on Saturday before 9am.

All help is greatly appreciated with all money raised going to the Moruya PS P&C and towards projects for the school.

If you are able to assist on the day please email Linda - linda.bennett13@det.nsw.edu.au or complete the tear off slip below and return it to the school office.
