BOOK FAIR Term 4 2018

Book Fair is on in week 5

The term 4 **Book Fair** begins on Wednesday, **14** November in **week 5** and finishes on Friday **16** of November in **week 5**. Please come and buy some books at our Book Fair as it is a great support for our library. We receive many valuable resources for the library as a commission on sales and the children do love the book fair books. They also make great Christmas presents at this time of the year. Please feel free to donate a book to our library as donations are always gratefully accepted.

The library will be open for sales at afternoon tea on Wednesday and Thursday, before school each day at **8:40am** and on **Thursday 15** November after school. Friday 16 is the last day of the fair and sales. Last sales will be at LUNCHTIME on that Friday.

Thank you so much in anticipation of your support, see you there.

KITCHEN GARDEN NEWS

2L and the Eagles had a great day in the garden last week. The garden was looking particularly wonderful after the nice drop of rain we had. The students were busy maintaining the garden beds, by weeding and mulching as well as learning to press flowers.

In the kitchen, the students enjoyed making green tzatziki, using kale and various herbs as well as flat bread. 2L was very lucky to have Jyoti, one of our volunteers, show us her traditional method of making roti.

The Eagles have finished their 4 week kitchen garden 'taster' and now Zebras will have their turn. 2L will continue in the kitchen garden till the end of the term.

Good health, our future

From July 2018, the Australian Bureau of Statistics will be visiting selected communities to carry out the National Aboriginal and Torres Strait Islander Health Survey.

Selected households will have the chance to talk to us about their health so that government and health care services can make decisions that will help you, your children and your community live long, healthy lives.
