## WHAT'S BEEN HAPPENING IN THE CLASSROOM THIS WEEK.....

On Tuesday November 13 we were fortunate to have the Paddock to Plate virtual experience bus visit our school. Students in Years 2 – 6 had the opportunity to visit the bus and learn about farming in Australia and the beef industry. Students experienced a virtual reality movie that showed them various aspects of the farming process. There was a lot of excitement during the virtual reality experience and it was thoroughly enjoyed by the students.

Kindergarten were lucky to have a very special visitor last week. A local author Mimi King came in and read her beautiful children's book "A Little Bird Told Me". The children then drew a picture to represent their favourite part of the story which Mimi signed. She was delighted to see how enthusiastic and creative our kindergarten children are.

Kindergarten have also been enjoying developing gymnastic skills and have been fortunate to have some wonderful year 6 students help them. With their guidance and support the kindergarten's have practised balancing on the beam, using the mini tramp, log rolling and much more. Thankyou to all the wonderful year 6 students for your help!
